## DATA

Dulles Area Transportation Association

Promoting sustainable mobility choices

## JOIN THE DULLES AREA TRANSPORTATION ASSOCIATION IN MAKING THE GREATER DULLES AREA A MORE VIBRANT, DESIRABLE, AND EFFICIENT PLACE TO DO BUSINESS!!

This public-private partnership between business, the public sector, and the Greater Dulles community can assist your business in many ways:

- Members can rely on DATA's transportation and mobility experts for the transportation information and context that's right for them.
- DATA can assist your employees or residents in finding the optimum way to commute, be it telework, ridesharing, public transit, biking or walking.
- DATA will strive to maximize the local return on investment for Silver Line Phase 2 with advance planning for employers, property managers and workers.
- Explains and assists with commuting solutions that attract talent, reduce carbon emissions, and lower your employee's costs.
- DATA is a 501(c)3 organization and member dues are often multiplied as much as 4X as grant funding match funds.
